We Have 'Em!

All are in plantbands in flats, 50 to flat, except male Hollies which are 25 or 50 to flat. Order in multiples of 50 (except male Hollies which may be had in units of 25 or 50.)

Rates: The prices shown are "per 100". 50 or more (Male Hollies, 25 or more) at 100 rates; see quantity discounts below. Prices are f. o. b. Waynesboro, but delivery to your door will be made with our trucks. See delivery rates on back pages of our Trade List.

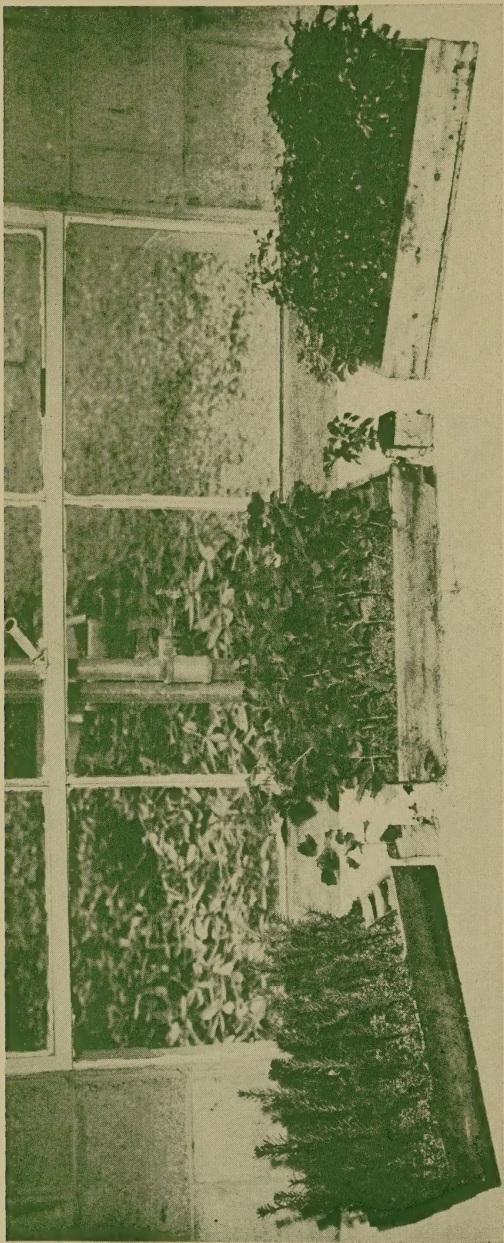

TAXUS

All have been in plantbands for one full year or more. Heights vary according to type. The photo shows the variety "T. media columnaris Moons". 50 at 100 rate; 300 or more of a single variety at 5% off; 1000 or more of a single variety at 10% off.

Special Quantity Discount on Taxus

We have too many Taxus of most varieties. As a special inducement, if your order amounts to a total of 5000 Taxus, or more, take the following discounts; 10% on 300 or more of a variety; or 15% on 1000 or more of a variety. That means that a variety priced at \$13.50 per hundred in 1000 lots actually costs you less than 11½¢. This quantity discount applies only to Taxus and on orders totaling 5000 or more.
